

Process of submitting articles to 11th ICMPC at IIT Indore

Dear Authors

Kindly submit your paper online on Elsevier editorial System, see the link <https://ees.elsevier.com/matpr/default.asp>.

Initially you need to register yourself in EES and than login in EES as author. To submit in the first screen there will be “**Choose Article type**” in that you select “**11 ICMPC @IIT**”. Before uploading the paper make sure that it is in the template. The template of the paper can be downloaded from ICMPC website or you can also download by clicking the link <https://www.materialstoday.com/proceedings-template>

Paper will be reviewed and upon acceptance, authors need to register for the conference as soon as possible.

I also request you to kindly register as a reviewer.

Looking forward to see you at GLA in Feb 2020.

With Best Regards
